IMPROVING PLACEMENT OUTCOMES FOR CHILDREN AND ADOLESCENTS WITH PROBLEMATIC SEXUAL BEHAVIORS

You are invited to a free virtual training series on treatment and placement considerations for children and youth with problematic sexual behaviors (PSB).

Offered by the NC Child Treatment Program and sponsored by the NC Division of Child and Family Wellbeing, this 3-part series is intended to increase the supply of appropriate treatment and residential placements for children needing behavioral health services, by:

- 🌱 Increasing understanding of problematic sexual behaviors (PSB) among children and adolescents, including contributory factors and the needs of this population, as well as common myths and misconceptions;
- 🌱 Increasing understanding of current best practices for the treatment and management of children and adolescents with PSB;
- 🌱 Improving clinical assessment, treatment recommendations, and placement recommendations for children and adolescents with PSB.

TARGET AUDIENCE

1. Clinicians, supervisors, and leaders from child mental health agencies providing assessment and treatment for children and youth (clinical agency participants)
2. Care coordination staff and leadership at Medicaid MCO/LMEs, Prepaid Health Plans, foster care placement agencies, and care management organizations (care coordination participants)

WHEN

- 🌱 **1/10/23 Session 1:** Overview of Problematic Sexual Behaviors
- 🌱 **1/17/23 Session 2a:** Implementation Considerations for Clinical Agency Teams
- 🌱 **1/24/23 Session 2b:** Implementation Considerations for Care Coordination Teams
- 🌱 **3/21/23 Session 3:** Troubleshooting and System of Care Collaboration

All events will take place from 9:00a until 12:00p. Sessions 1 and 3 are for all participants. Session 2a is open to clinical agency participants only. Session 2b is open to care coordination participants only.
