Trillium Would Like to Make you Aware

PLB Segment on 835 Files (PIP – Periodic Interim Payment):

There is no additional PIP (Periodic Interim Payment) being issued by Trillium. Currently, we are temporarily using the PLB (Provider Level Balance) segment of the 835 files, specifically adjustment code PI (PLB04), to report adjudicated amounts for different plan types since we are splitting the 835 files for one check.

The adjudicated amount for TP claims will appear in the PLB segment of the MD 835 file and the adjudicated amount for MD claims will appear in the PLB segment of the TP 835 file.

This is only a reporting method while the Remittance Advice (RA) split process is being completed.

DO NOT REPLY to this email as this is an unmonitored email address. If you have any questions please send an email to IT.Support@TrilliumNC.org
