COVID-19 Vaccine Information

Eligibility Expanded and Resources for Site Locations and Availability

On Wednesday April 7, 2021, Governor Roy Cooper opened COVID-19 vaccine eligibility to all adults 16 and older. Trillium contacted all of our Health Departments within our catchment to seek out additional information on COVID-19 vaccines availability and locations. Local Health Departments recommend to receive the most updated COVID-19 information about vaccine availability and sites, please go directly to their website. Members, families and providers are encouraged to go directly to the Health Department's website links. For convenience, we have included Health Department website's below.

Vaccine Availability and Locations

Thank you for working diligently in collaborating with Members and families in linking them to COVID-19 vaccinations and ensuring our Members remain safe and healthy.
